

## Features

- Featherweight and handy design
- Good for money, identity cards detection, verification mark reading and fluorescence activation
- Featuring 500mW power, 365nm wavelength ultraviolet LED
- Integrated intelligent Li-ion battery charging circuit (micro-USB charging port)
- Built-in rechargeable Li-ion battery provides a runtime of up to 1 hour
- Single switch offers easy one-handed control
- Constructed from durable Polycarbonate materials
- Dual metal key ring connector withstands up to 77lbs (35 kg)
- Impact resistant to 1.5 meters

## Dimensions

2.22" x 0.83" x 0.31" (56.5mm x 21mm x 8mm)

## Weight

0.34oz (9.6 gram)(with battery)

## Accessories

Key ring

## Operation Instructions

### On/Off Operation

Press the switch to turn UV on; press the switch again to turn UV off.

### Lockout/Unlock

Press and hold the switch for three seconds. The Tube UV will lock out after a flash of the LED to avoid accidental activation during carry. To unlock, press and hold the switch for three seconds again.

### Battery Charging

1. Connecting: Plug one end of the USB cable to the Tube UV's USB input port (on the side of the light) and plug the other end in to a power supply (USB adapter, PC or other standard USB output port).

2. Charging indicator: A power indicator light integrated into the Tube UV's button will illuminate steadily during the charging process and go out when the Tube UV is fully charged.

**NOTE:** The Tube UV will need to be recharged if output appears to be dim or the light becomes unresponsive.

## Caution

1. DO NOT place the Tube UV within children's reach. This is NOT a toy.
2. DO NOT direct the UV beam towards skin. Long time UV exposure can do harm to the skin.
3. DO NOT look directly into an emitting UV LED. Long time UV exposure can do hard to the eyes.

## Warranty Service

All NITECORE products are warranted for quality. Any defective /malfunctioning NITECORE Tube can be repaired free of charge for a period of 12 months from the date of purchase. Beyond 12 months, a limited warranty applies, covering the cost of labor and maintenance, but not the cost of accessories or replacement parts. The warranty is nullified in either or both of the following situations:

1. The product(s) is/are broken down, reconstructed and/or modified by unauthorized parties.
2. The product(s) is/are damaged through improper use.

For the latest information on NITECORE® products and services, please contact a local NITECORE® distributor or send an email to [service@nitecore.com](mailto:service@nitecore.com).
